ADDIEWELL PRISON LIMITED

STRATEGIC REPORT

For the year ended 31 March 2014

The company is a Private Finance Initiative (“PFI”) vehicle whose purpose is to design, construct, finance and manage HMP Addiewell. It has a 25 year operational contract with the Scottish Prison Service (“SPS”), due to complete in December 2033. The directors do not expect any change in the nature of the company’s business in the immediate future.

In the year the company made a profit of £2,403,000 2013: (£2,317,000).

The group’s operations are managed under the supervision of its shareholders and funders and are monitored by key performance indicators in the PFI contract with the SPS and the subcontract with Sodexo Limited who supply the facilities maintenance services throughout the life of the concession. These key performance indicators are in place to monitor certain operational functions and failure to meet minimum targets result in financial penalties, which are ultimately payable by Sodexo Limited. In the year these penalties amounted to £nil (2013: £nil).

The PFI contract and Subcontracts with SPS and Sodexo Limited are fixed for the life of the contract and this enables the company to have certainty over its income and major expenses until 2033. Furthermore the subsidiary has a Credit Agreement with its lender which fixes the level of borrowing and repayments due until the loan is fully repaid in 2032. Its main exposure is to financial risks as detailed in the following section.

PRINCIPAL RISK AND UNCERTAINTIES

The company’s principal activity as detailed above is risk free as its trading relationships with its customer, funders and sub-contractors are determined by the terms of their respective detailed PFI contracts with the subsidiary.

FINANCIAL RISK MANAGEMENT

The company has exposure to a variety of financial risks which are managed with the purpose of minimising any potentially adverse effect on the company’s performance.

The board has policies for managing each of these risks and they are summarised below:

INTEREST RATE RISK

The company hedged its interest rate risk at the inception of the project by swapping its variable rate debt into fixed rate by the use of an interest rate swap

INFLATION RISK

The company’s project revenue and most of its costs were linked to inflation at the inception of the project, resulting in the project being largely insensitive to inflation.

LIQUIDITY RISK

The company adopts a prudent approach to liquidity management by maintaining sufficient cash and liquid resources to meet its obligations. Due to the nature of the project cash flows are reasonably predictable and so this is not a major risk area for the company.

STRATEGIC REPORT (CONTINUED)

For the year ended 31 March 2014

CREDIT RISK

The company receives the bulk of its revenue from a Government agency and therefore is not exposed to significant credit risk.

Cash investments and interest rate swap arrangements are with institutions of a suitable credit quality.

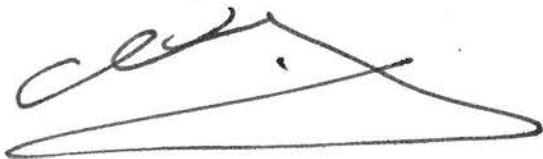

EVENTS

There have been no significant events since the balance sheet date.

OWNERSHIP

The company is owned by its ultimate shareholders Sodexo Investment Services Limited, Interserve plc and Infrastructure Investments Holdings Limited.

ADDIEWELL PRISON LIMITED

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ADDIEWELL PRISON LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ADDIEWELL PRISON LIMITED

REPORT ON THE FINANCIAL STATEMENTS

Our opinion

In our opinion the financial statements, defined below:

- give a true and fair view of the state of the company's affairs as at 31 March 2014 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

This opinion is to be read in the context of what we say in the remainder of this report.

What we have audited

The financial statements, which are prepared by Addiewell Prison Limited, comprise:

- the balance sheet as at 31 March 2014;
- the profit and loss account for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

What an audit of financial statements involves

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Annual Report and financial statements (the "Annual Report") to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

ADDIEWELL PRISON LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ADDIEWELL PRISON LIMITED (CONTINUED)

OTHER MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

RESPONSIBILITIES FOR THE FINANCIAL STATEMENTS AND THE AUDIT

Our responsibilities and those of the directors

As explained more fully in the Statement of Directors' Responsibilities set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and ISAs (UK & Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

NOTES TO THE FINANCIAL STATEMENTS

Year Ended 31 March 2014

1. ACCOUNTING POLICIES

A summary of the principal accounting policies, all of which have been applied consistently through the current year, are set out below.

Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom.

Basis of preparation

The balance sheet on page 9 shows shareholders' funds at 31 March 2014 of £2,755,000 (2013: £1,951,000). The financial statements have been prepared on a going concern basis as the company has a long term agreement with the Scottish Prison Service which envisages losses in the early years, but overall a substantial profit. The group is currently performing in line with expectations.

Turnover and Private Finance Initiative ("PFI") contract accounting

Turnover, which excludes VAT and originates solely in the United Kingdom, represents amounts receivable from the operation of the prison provided in the normal course of business.

On commencement of its management of the prison, the company recorded a financial asset, being the amounts due for the completed property. This asset was deemed to be sold at fair value and was recorded as turnover at the inception of the lease. This amount reduces each year as payments are received (the "Capital Repayment").

In addition, finance income on this asset is recorded as interest receivable using a project property specific interest rate of 7.38% (the "Imputed Finance Charge").

Facilities management revenue, the remaining PFI payments, are recognised to the extent that the company obtains the right to consideration for providing the contracted services. The company adopts the unitary charge control account treatment, and as such recognises turnover as contract activity progresses at a mark up on costs related to the provision of the contracted services. In line with FRS 5 Application Note G, the mark up is based upon the forecast service revenue and costs over the concession period.

ADDIEWELL PRISON LIMITED

NOTES TO THE FINANCIAL STATEMENTS (Continued) **Year Ended 31 March 2014**

1. ACCOUNTING POLICIES (Continued)

Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only to the extent that, on the basis of all available, evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing difference can be deducted.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

Derivative financial instruments

The group holds derivative financial instruments which have the effect of fixing the interest rate payable on bank borrowings. Amounts payable or receivable in respect of interest rate derivatives are recognised as adjustments to interest over the period of the contract.

Cash flow statement

Under the provision of Financial Reporting Standard No. 1 (revised), the company is exempt from the requirement to produce a cash flow statement on the grounds that it is a wholly owned subsidiary of a parent undertaking which has produced a consolidated cash flow statement in its consolidated financial statements.

10. CREDITORS: AMOUNTS FALLING DUE AFTER MORE THAN ONE YEAR (Continued)

The bank loan is secured by a fixed and floating charge over the assets of the company. Interest is charged on the above loan at the rate of LIBOR +0.85%. The loan is repayable in instalments over a period of 23 years, which commenced in 2009. The bank loan is with The Bank of Tokyo Mitsubishi UFJ.

In June 2006 the company entered into a 25 year fixed interest rate swap arrangement (amended March 2011) to hedge its exposure to the effect of interest rate fluctuations.

The swap converts the bank loan to a fixed rate of 5.04% and is payable in semi-annual amounts between 30 June 2009 and 31 December 2031.

The maturity analysis of amounts owed to parent company is:

	2014 £'000	2013 £'000

16. PARENT COMPANY AND CONTROLLING PARTIES

The company's immediate parent undertaking is Addiewell Prison (Holdings) Limited, which is the smallest and largest entity to consolidate these financial statements. Copies of the financial statements of Addiewell Prison (Holdings) Limited are available from Addiewell Prison Limited, Interserve House, Ruscombe Park, Twyford, Reading, RG10 9JU.

Under a share pledge agreement Addiewell Prison (Holdings) Limited transferred the entire shareholding of Addiewell Prison Limited to Project & Export Finance (Nominees) Limited who are a nominee subsidiary of the company's bankers The Royal Bank of Scotland Plc, a related party. However, although in the legal form Addiewell Prison Limited is owned by Project & Export Finance (Nominees) Limited in substance Addiewell Prison (Holdings) Limited is able to exercise control via voting rights and is entitled to dividends, interest and other payments (whether of an income or capital nature) paid in respect of the shares.

17. FINANCIAL INSTRUMENTS

	2014 £'000	2013 £'000
Interest rate swap on loans		
Fair value of interest rate swaps	(35,882)	(23,736)

On 20 June 2006, in order to hedge against interest variations the company entered into a 25 year interest rate swap agreement with the Royal Bank of Scotland plc whereby, at monthly intervals during construction and six monthly intervals during operations, sums are exchanged reflecting the difference between the floating and fixed interest rates, calculated on a predetermined notional principal amount. The fixed interest rate is 5.04% on the senior loan. As the interest rate swap is considered to be effective, the value has not been accounted for within these financial statements.
